## 2. Edit Data

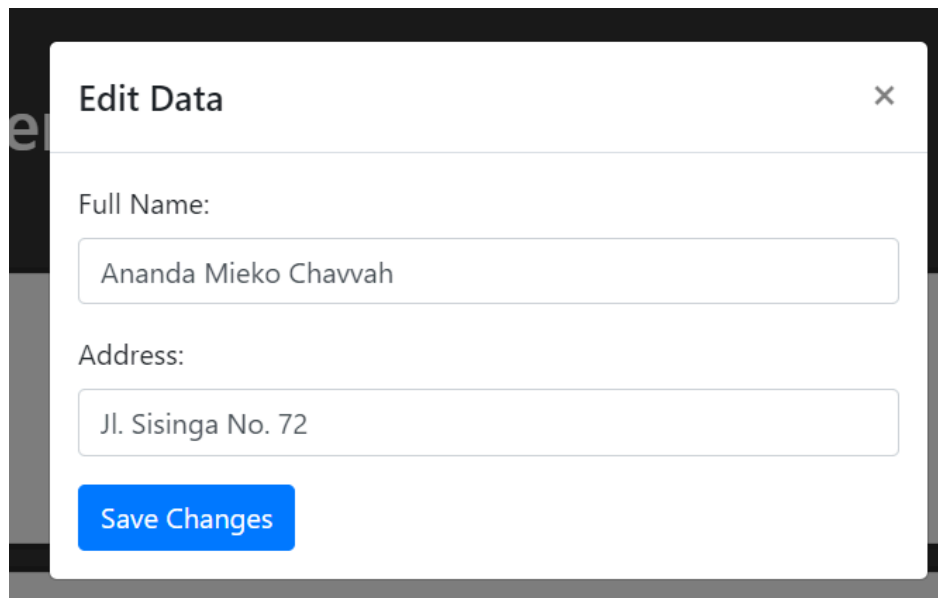

a.

Ada opsi untuk meng edit data, yang bisa mengganti Address atau Nama.

The screenshot shows a modal window titled "Edit Data" with a close button (X) in the top right corner. Inside the modal, there are two text input fields. The first field is labeled "Full Name:" and contains the text "Ananda Mieko". The second field is labeled "Address:" and contains the text "Jl. Cecillia No. 93". Below these fields is a blue button labeled "Save Changes".

Jika diganti maka akan menampilkan Data yang sudah terganti

The screenshot shows the same "Edit Data" modal window, but the data has been updated. The "Full Name:" field now contains "Ananda Mieko Chavvah" and the "Address:" field now contains "Jl. Sisinga No. 72". The "Save Changes" button remains at the bottom.

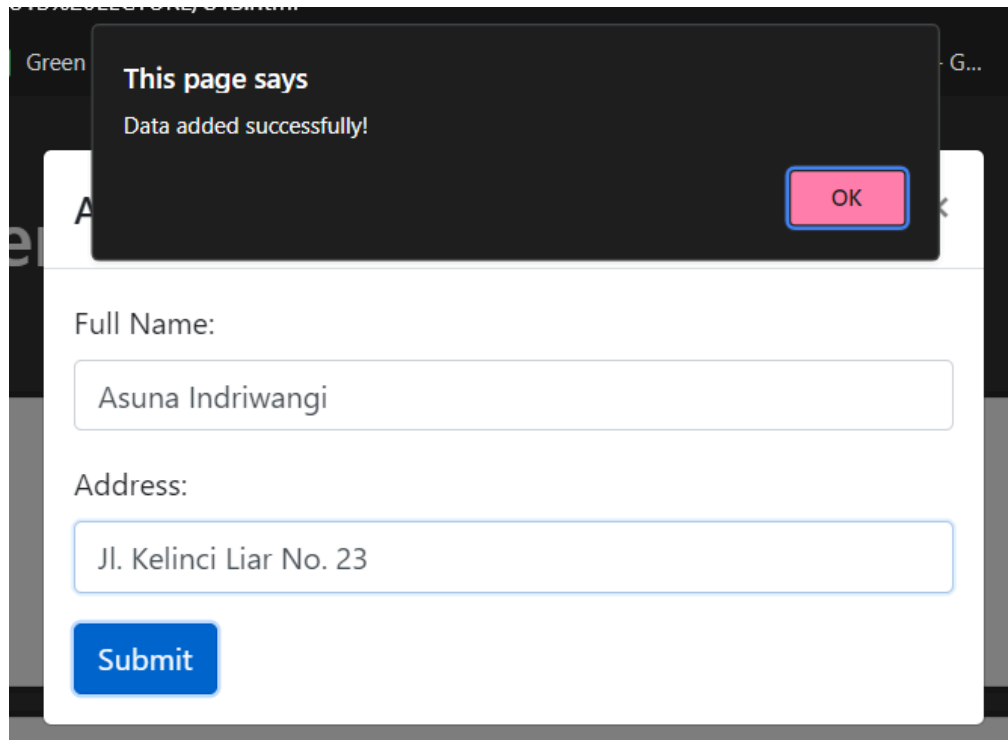

b. Ini data yang sudah terganti

The screenshot shows a data card for "Ananda Mieko Chavvah". Below the name is the address "Jl. Sisinga No. 72". At the bottom of the card are two buttons: a blue "Edit" button and a red "Delete" button.

Evaluasi Kelompok :

Dari : William Paulus Nathanael

Saya mengerjakan Lecture, dan dokum.

Mieko :

Mieko ga kerja, selalu cuma bilang mau nolong, tetapi ga ngapa-ngapain.

Patrick :

Patrick adalah MVP dari kelompok ini. Banyak melakukan kerjaan, dia yang mengerjakan lab sendirian, walaupun butuh pertolongan dikit dikit, dia bisa membuat lab dalam waktu yang bagus.
